

REACH Declaration of Conformance

To minimize the people and environmental impact and take more responsibility to the earth we live,

AAEON Technology Inc. hereby confirms, to date, based on supplier's data, that products made by Aaeon are in compliance to Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH). Specifically, products manufactured do not contain the substances listed in the following sections of this directive:

- Do not contain any of the Substances of Very High Concern (SVHC) as defined in Article 57 and Annex XIV over the requirement.
- Do not contain any of the substances as described in Article 67 and Annex XVII (with amendments) over the requirement.
- The latest **223** substances subject to analysis per the REACH Regulation were **last updated on Jan. 17, 2022**. Please refer to the following for the most current candidate list of substances:
<http://echa.europa.eu/candidate-list-table>.
- Additional information on the European Union's REACH regulation can be found here:
